# BEFORE YOU START ASSEMBLING

Assembling the outdoor kitchen is a job for two people. Do not try this alone, ask someone to help you.

Assemble the outdoor kitchen on a soft surface (such as a carpet, blanket or grass) to avoid damaging the product.

Please take the time to read the safety tips carefully.

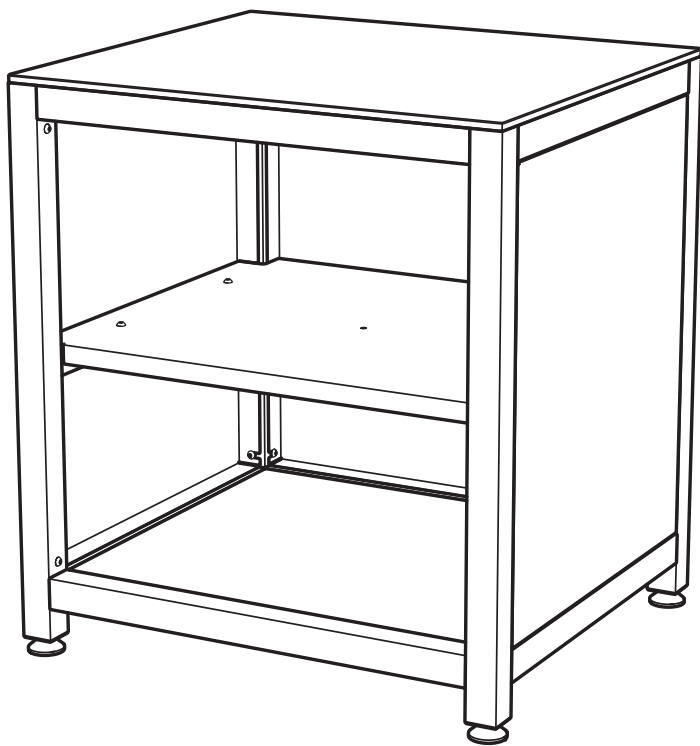

If there are any questions regarding the assembly of the outdoor kitchen, please contact the YAKINIKU® head office.

**CAUTION: SEE SAFETY NOTICE**  
**[YAKINIKUGRILL.COM/SAFETY-TIPS](https://YAKINIKUGRILL.COM/SAFETY-TIPS)**

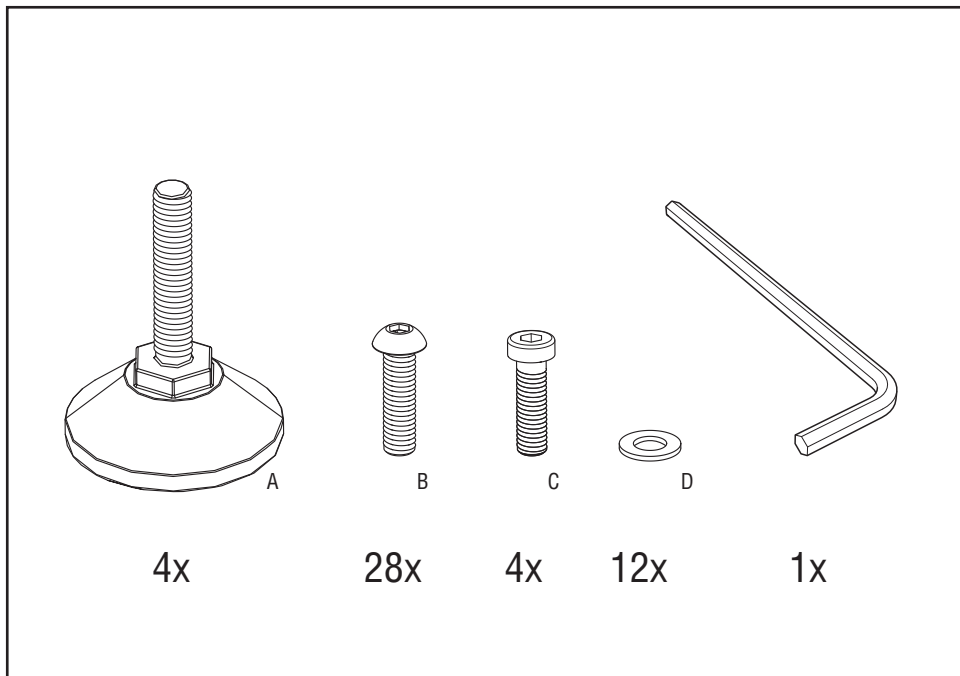

A stainless steel table nest should always be used to create an air gap between the Kamado and the outdoor kitchen. Do not place the Kamado directly on the surface of the outdoor kitchen.
